

WELLNESS PLAN FOR CATS

This plan is suitable for healthy cats over one year of age.

Annual exams and wellness check-ups are the best way to prevent disease and detect early signs of illness in your cat.

Cats are known to hide discomfort and pain, so it's important to have your cat checked regularly. Our Wellness Plan for Cats is a cost-effective way to help ensure your cat is cared for and that any signs of illness are caught early. Your pet is important to you and preventative health care is key to a long and healthy life. See back for a full list of inclusions.
