This plan is suitable for puppies under one year of age.

**The first year of your puppy's life is a busy and important one.** Our Wellness Plan for Puppies is designed to help set the foundation for a long and healthy life. We've included everything your puppy needs for preventative care into one plan, and we've discounted the fees to make it more affordable. See back for a full list of inclusions.

*Payment Terms: We do not require payment in full at time of registration. We allow flexible payment instalments up until the time of spay/neuter or 1 year of age (whichever may come first) at which time the remaining balance must be paid in full.*
