

WELLNESS PLAN FOR SENIOR CATS

This plan is suitable for cats on chronic medication and/or cats over the age of nine.

Bi-annual exams and wellness check-ups are the best way to prevent disease and detect early signs of illness.

Cats are known to hide discomfort and pain, so it's important to have your aging cat checked regularly. Our Wellness Plan for Senior Cats is a cost-effective way to help ensure your pet is cared for and that any signs of illness are caught early. Your pet is important to you and preventative care is key to a healthy life. See back for a full list of inclusions.

Terms: For those that select the Wellness Plan with Dental, the procedure must be completed within that calendar year to be eligible for the discounted pricing.
