

# WELLNESS PLAN

## FOR SENIOR DOGS

This plan is suitable for dogs on chronic medications and/or dogs in their senior years.

**Bi-annual exams and wellness check-ups are the best way to prevent disease and detect early signs of illness.**

Dogs age quickly, so it's important to have your pet checked regularly as he/she ages. Our Wellness Plan for Senior Dogs is a cost-effective way to help ensure your pet is cared for and that any signs of illness are caught early. Your pet is important to you and preventative health care is key to a healthy life. See back for a full list of inclusions.

*Terms: For those that select the Wellness Plan with Dental, the procedure must be completed within that calendar year to be eligible for the discounted pricing.*
